AI Use Policy Acknowledgment

As	an employee of	, I acknowledge that I have read and understood the	
Art	tificial Intelligence (AI) Use F	Policy outlined below. By continuing to use AI tools and technologies within t	:he
firm	n, I agree to adhere to the follo	wing guidelines:	
1.	Purpose of Al Use:		
	I understand that AI tecl	hnologies, including generative AI, are employed to enhance efficiency,	
	accuracy, and work prod	duct within our legal practice.	
	I recognize that AI tools	are not a replacement for human judgment but rather a valuable resource to	0
	support our work.		
2.	Responsibilities:		
	 I will use AI tools respon reviewed and validated. 	sibly and ethically, ensuring that any generated content is thoroughly	
	I am committed to main	taining client confidentiality and safeguarding sensitive information when	
	using Al systems.		
3.	Human Oversight:		
	 I acknowledge that AI-g 	enerated content requires human oversight. I will critically assess and verify	,
	any output produced by	Al tools.	
	 I will not solely rely on Al 	l-generated work product without proper scrutiny.	
4.	Data Privacy and Security:		
	 I will handle Al-generate 	d data with care, adhering to data privacy regulations and internal policies.	
	 I understand that AI sys 	tems may process sensitive information, and I will take necessary precautio	ns
	to prevent data breache	PS.	
5.	Bias and Fairness:		
	=	ithms can inherit biases from training data. I will actively mitigate bias and	
	ensure fairness in our le		
		es of bias or unintended consequences related to Al tools.	
	Continuous Learning:		
	· -	med about Al advancements and best practices.	
		ng sessions and workshops to enhance my understanding of Al technologie	s.
7.	Reporting and Feedback:		
		nave suggestions related to Al tools, I will promptly communicate them to the	Э
	appropriate channels.		
	I understand that feedba	ack is essential for improving our AI practices.	
Ву	signing below, I affirm my com	mitment to responsible AI usage and agree to comply with the policies set	
fort	th by	·
